Talbot Underwriting (MENA) Ltd aims to establish mutually beneficial long-term relationships by offering a flexible and responsive service to both brokers and clients.

Portfolio

We lead or follow across a wide range of accounts including commercial occupancies such as office and real estate portfolios, hotels, infrastructure, hospitals and industrial occupancies such as desalination plants, cement plants and other process industries. Technical support is provided to underwriters through reviews and site surveys by our in-house engineers.

Coverages

Policy coverage is offered on an 'All Risks' basis including machinery breakdown and business interruption reinsurance where required. We also write natural catastrophe perils, difference in conditions, deductible buy down and on a 'tailor made' basis according to our clients needs.
