Coverages and Perils

Structured Trade Credit & Contract Frustration

Comprehensive non-payment cover on short and medium-term trade financing, involving sophisticated structures to meet the needs of private and various governmental borrowers.

Lenders Form & Investment Protection

Coverage for capital investments in the form of debt or equity against political risks associated with host government expropriation, nationalisation, deprivation, embargo, political violence as well as currency inconvertibility & non-transfer.

Mobile Asset Protection

Coverage for mobile assets located in foreign territories against political risks associated with host government expropriation, confiscation, deprivation as well as political violence including terrorism. This fills gaps in property policies globally.

Related Coverages

Also coverage for pre and post-shipment risks, contractual defaults, unfair calling of contract bonds and expropriation of contractor's equipment as well as aircraft & vessel non-repossession, terrorism or standalone political violence, and kidnap & ransom.

Territories

Insured risks and borrowers can be located worldwide.

Industries

Clients include banks, finance houses, traders, investors, leasing companies as well as companies in energy, manufacturing, infrastructure, telecommunications, agriculture, mining, transportation and pharmaceutical, among others.
