- US exposed through presence and/or listing
- Medium to larger companies

## Our line size

- GBP10 million, USD15 million currency equivalent

## Appetite and flexibility

With a long financial lines history and strong reputation in the Lloyd's market, we have a diverse international portfolio of primary and excess business.

Talbot Financial Lines' D&O offering prides itself on a broad minded, flexible approach. Supported by the Lloyd's brand and the global licensing capabilities that brings, we are part of the wider Validus group. We will look at direct open market business, facultative reinsurance and are open to binder and facility propositions. We can look at packaged business in tandem with our other Financial Lines abilities; bond, commercial and FI crime plus commercial and FI professional indemnity.
