Accreditation as a Trusteed Reinsurer

Dear Mr. Dawson:

From a review of the material filed in reference to the above mentioned company's application for accreditation as a reinsurer, the applicant meets the statutory requirements for approval of same.

The application of Validus Reinsurance (Switzerland), Ltd for accreditation as a trusteed reinsurer is hereby approved.

Going forward all quarterly and year-end financial statements, as well as updated AR-1 forms on a quarterly basis, must be filed on a timely basis to maintain accredited status. It is expected that any other pertinent information would be kept current as well.
