

VALIDUS RE

Summer Student Program

The Validus Student program endorses a holistic approach to student development based providing practical experience.

Applications are now being accepted for the 2019 Validus Summer Student Program. Successful applicants will join dynamic teams handling a variety of tasks over the course of the summer, attend weekly industry and career focused seminars with industry leading professionals, and participate in a variety of other activities.

Requirements:

- Strong communication skills both oral and written
- Proven attention to detail
- Proven ability to work successfully as part of a team and/or independently
- Familiarity with Microsoft Office, especially Outlook, Word & Excel preferred
- Familiarity with programming languages or data science may be an advantage

Application Process:

- A completed student placement application, available [here](#)
- A resume
- A one page essay describing your career aspirations and the steps you expect to take to achieve them

If your experience and ambition matches the above criteria, please forward the required materials, prior the closing date, to:
