

Marine & Energy Liability

TALBOT
An **AIG** company

Our marine & energy liability offering extends to parties such as **shipowners** (protection and indemnity), **charterers, cargo owners, port and terminal owners/operators, marine concessionaires and shipyard operators**. We are able to provide cover for:

- **Charterer's legal liability** – legal liability of a vessel charterer to the owner.
- **Energy contractors** – all upstream energy contractors such as drilling contractors and well service companies for on and offshore exposures.
- **Exploration and production, upstream operators** – exploration and production including finding, augmenting, producing and merchandising oil and gas.
- **Offshore construction & decommissioning** – construction of assets, sub-sea or surface – includes fabrication and procurement onshore, plus decommissioning – removal and sometimes disposal of offshore assets.
- **Ports & terminals** – third party liabilities of Port Authority and Terminal Operators.
- **Shipyards** – liability arising from ship repairing.
