

Marine Hull

With Talbot you, and your customers, have access to **high quality portfolio underwriting**, combined with **high quality data and analytics** powering a holistic view.

As a long-established Lloyd's syndicate in the marine hull market, Talbot provides cover on an all risks or total loss only basis for most commercial vessel types as well as superyachts.

We have an established reputation for customer focused levels of service and claims handling capabilities.

Key words and prompts

Why Talbot

How Talbot adds value

What this means for customers

Customer first philosophy with a claims focus

- Service levels are paramount to Talbot's business model.
- Dedicated claims team, experienced in dealing with complex and high-profile cases, exceptionally well regarded and respected in the industry.
- Comprehensive claims data and superior analytics enables us to provide bespoke vessel and risk based pricing.

- High quality service, with quick turnaround times, and regular updates on progress.
- Claims are managed by highly experienced professionals, efficiently and with a high degree of care and sensitivity.

Market leading

- Highly respected within the industry; a long term player in the sector with a powerful historic reputation and brand.

- A long term leader and partner to some of the largest commercially trading global fleets.
- Trusted and recognised by the insurance industry, with a strong pedigree and track record.

Data driven portfolio underwriting philosophy

- High quality data and analytics powering the portfolio view.

- In 'safe hands' – able to take advantage of high-quality solutions quickly responding to the developing global marine environment.
